Black History Month

We have begun our school wide focus on Black History Month this week.
This year, the theme is 'Saluting our Sisters' and recognising the contributions of significant black females across the ages. Therefore each class in school will focus on a different female from the past or present who has been responsible for eliciting change.
Some of those we will focus on include, Rosa Parks, Michelle Obama, Mary Seacole, Oprah Winfrey & Malorie Blackman. We can't wait to see what the children discover and learn about these amazing ladies.
