Language Angels

French club were really excited to welcome Luke and Chiara from Language Angels this week, to try out their new app Glurbs before it launches in June. We were asked about our favourite characters and colours as well as suggestions on new characters. Luke listened carefully and wrote down all our ideas and suggestions. We can't wait to see if they will be included in the final product! #Willowparkwonderful #AchievingSuccessTogether #MFL #Curriculum

We are hosting a community Coffee Afternoon at school where representatives from Early Help, School nurse, SENDCO and Mental health lead will be on hand to chat with parents/carers and answer any questions you might have. Come along for a brew and biscuit or two! We'd love to see you!
