HealthySchools© Self-validated 2021 - 2024

We are really pleased to announce that we have achieved the Healthy Schools Award. This is for the hard work and effort of staff and children alike in recognising the benefits of a healthy, active lifestyle and the positive impact this can have our mental health and wellbeing and readiness for learning. Thank you to Mr. Owen and the Health Champions for all their hard work in achieving this award. Our work to ensure that our children have access to high quality mental health support and physical activity won't stop there as we continue our drive for improvement. Watch this space!

'Every picture tells a story'

Year 5 have been working hard on their Art Work this term. The theme was ' Every Picture tells a story.' They started by looking at Banksy and Graffiti art. They then used what they had learnt to create our own art work based on the Human Rights Activist Malala Yousafzai and the vocabulary they had learnt. Here is a sample of their work. I am sure you will agree they are great!
