Willowpark Primary Academy

Creative Writing goals!

Children from across the Academy have been super busy with their Creative writing Published books, writing on the topic of Sustainability. During the Spring term, children across all groups learned a great deal about the need to take of our planet and how we can all play our part to make a big difference. From looking after our beaches and not dropping litter to the causes and effects of global warming and rainforest destruction – our children really showed their passion for protecting our planet and we are very proud to showcase their latest 'Amazing Writing!'

Junior Leadership Team – Wild Crown Competition.

Our Coronation 'Wild' Crown Competition

Continuing on our learning about sustainability and the environment, and knowing that King Charles III is also passionate about these things, we would like you to 'Get Creative' and design and make your own 'Wild' Coronation Crown to wear at our afternoon tea themed lunch on 5th May 2023.

What will you need?

1) Have fun making your Wild Crown

- Using a strip of thin card (long enough to fit around your head), attach two strips of double sided sticky tape.
- Go out into nature and find beautiful examples of natural objects (such as leaves, petals and twigs) to stick on to your crown.
- Think carefully about the objects you pick, don't take more than one of each object and don't take the 'last one' of anything you find.

Please do not pick flowers, leaves or plants that are growing in a garden – only use discarded 'wild' things to decorate your Crown!
