Willowpark Primary Academy

Lets all go to the Seaside!

This week , Year 1 had a super adventure on a trip to Lytham St. Anne's to visit the beach. In Geography this term, they've been learning all about our coastal areas and comparing these to where we live in Oldham. On Tuesday, they got to experience the beach for themselves and had a wonderful time building sandcastles, digging for shells and pebbles and having a picnic lunch.

The children also made links to the global citizens work around plastic pollution of our beaches, seas and oceans and they even did a litter pick to help clean up the environment and protect the wildlife that live there from harm! Well done Year 1 – we are very proud of you!

Easter Holiday Club

Over the Easter Holidays, Willowpark will host the Quality Sports HAF Holiday club from 11–14th April. This is open to children in receipt of Means–tested Free School Meals and there are 40 places available. More information is included in the letter sent out earlier this term of how to apply for a place. This has been sent out again today and is available on our website.

Children attending the club will enjoy a range of activities and games and will receive a hot meal for their lunch.
