Willowpark Primary Academy

World Environment day!

To celebrate World Environment day this week, we had a special guest visitor in our assembly.
Ben came to talk to us about his hobby of keeping bee's. He came to tell us why bee's are important for the environment and how looking after them contributes to a more eco–friendly environment. He brought one of the special suits that he wears when looking his bees and even brought some honey for us to try!

#EcoCouncil #Sustainability
